Professional Summary

Motivated Computer Science student at Faculté des Sciences de Monastir with strong programming, problem-solving, and software development skills. Experienced in web development, mobile applications, and database management. Passionate about creating efficient solutions and eager to contribute to real-world projects through internships or collaborations.

Education

Bachelor's Degree in Computer Science — 2022–2025

Faculté des Sciences de Monastir (FSM), GPA: 15.5/20

Relevant Coursework: Data Structures, Algorithms, Database Systems, Software Engineering

Baccalauréat in Mathematics — 2022

Lycée Secondaire de Monastir, Mention Bien (16.5/20)

Experience

Web Development Intern — Summer 2024, TechnoSoft Tunisia

- Developed responsive web applications using HTML, CSS, JavaScript
- Collaborated with senior developers on client projects
- Applied Git version control in team-based development

Freelance Web Developer — 2023–Present

- Designed and developed custom websites
- Delivered tailored web solutions to clients with modern UI/UX
- Handled client communication and deadlines

IT Support Assistant — Part-time, 2023, FSM Computer Lab

- Provided technical support to students and faculty
- Maintained lab computers, software, and networks
- Assisted in organizing programming workshops

Key Projects

E-Commerce Web Application — 2024

Built a full-stack MERN e-commerce platform with authentication, shopping cart, and payments. Deployed on Heroku with MongoDB Atlas.

University Management System — 2023

Developed student information system with Java & MySQL, including GUI using Java Swing.

Mobile Weather App — 2023

Cross-platform app with React Native, real-time weather API, location services, and push notifications.

Technical Skills

Languages: Java, JavaScript, Python, C++, PHP, SQL

Web: HTML5/CSS3, React.js, Node.js, Express.js, Bootstrap, REST APIs

Databases: MySQL, MongoDB, PostgreSQL, Oracle DB

Tools: Git/GitHub, Docker, VS Code, IntelliJ IDEA, Linux/Windows, Figma

Languages

Arabic (Native), French (Fluent), English (Advanced), German (Basic)

Certifications

JavaScript Algorithms & Data Structures — FreeCodeCamp (2024)

Responsive Web Design — FreeCodeCamp (2023)

Oracle Database Fundamentals — Oracle Academy (2023)
Google Analytics Certified — Google (2024)

Activities & Interests

President, Computer Science Club (2024)
Volunteer at coding bootcamps
Participant in ACM contests
Open-source contributor on GitHub
Technology blogger & content creator
Photography & digital design
